Times of the tide are taken from the U. S. Coast and Geodetic Survey tables. The tides at Kahului and Hilo occur about one hour earlier than at Honolulu. Honolulu standard time is 3 hours 30 minutes slower than Greenwich time, being that of the meridian of 157 degrees 30 mins. The time whistle blows at 1:30 p. m., which is the same as Greenwich 6 hours 9 minutes. The sun and moon are for local time for the whole group.

With about 264 souls on board, including cabin and steerage, the Oceanic steamer Sierra got away for San Francisco this morning at 10:20 o'clock. The display of lei and paper streamers was even greater than usual and the army of farewell enthusiasts crowded the dock and packed the broad double gangway to the distraction of stewards and quartermasters. The Sierra's cabin space has been taken up for more than a week and the Oceanic agents had no little difficulty in squeezing in all the travelers who wanted to go on this date. There were 194 in the cabin and 70 in the steerage when the ship pulled away from the dock. Handmaster Berger's musicians were forced to play over time and it took half the ship's force to get the passengers aboard and the friends and visitors ashore. As it was the steamer got away 20 minutes late. The cargo this trip is about 2450 tons, 1544 of which is sugar. There are also smaller shipments of bananas, coffee, pineapples and general freight. The following were the cabin passengers who sailed for San Francisco on the Sierra this morning:

SAILOR BOY ON DRYDOCK.

The old Sailor Boy, which was condemned some months ago and was bought by Captain Miller to be added to his collection of choice antiques, is on the marine railway today undergoing a renovation. Although Captain Miller could not be found this morning to confirm the report, it is said that the Sailor Boy will be thoroughly repaired, rigged and put into commission again. In spite of the fact that she was aground nine months her bottom is sound and tight and the false keel seems to have been the only piece of timber that suffered. At present the workmen are scraping off a coat of barnacles which excited the wonder of the oldest hands. The crust on the shapely hull of the old vessel is an inch thick and the barnacles hang down a foot but a little scraping shows sound woodwork and the Sailor Boy may yet do good service.

VIRGINIAN BOUND FOR THIS PORT.

Word was received at the local office of the American-Hawaiian company this morning that the Virginian left Tacoma last night at 12 o'clock bound for this port. She has on board 1500 tons of New York freight which left that port W. B. No. 261 on February 1 and W. B. No. 262 on February 7.

There will also be a big shipment of freight from the Sound on the Virginian, although the amount was not included in the report.

The Arizonan, of the same fleet, will leave here tomorrow night to collect sugar at the island ports. She goes to Kaanapali, Kahului and Hilo and thence direct to Salina Cruz. She will take about 12,000 tons of sugar and small shipments of other island products.

CLAUDINE BRINGS PAVING.

With a hold full of paving blocks from Hilo and a passenger list well sprinkled with persons, the inter-island steamer Claudine arrived this morning from Hilo and way ports. Apart from the general cargo she brought 63,000 paving blocks for Honolulu's streets, which will be unloaded at Port street. The heavy swells and strong northeast winds which have been causing trouble with inter-island shipping have evidently subsided and the Claudine reports good weather throughout her passage. There were forty-six deck passengers on board this morning and the following were cabin passengers on the Claudine on her inward passage:

From Hilo--A. C. Pittsburg, E. F. Nichols, George W. Angus.

From Laupahoehoe--Rev. J. M. Lidgate.

From Hana--A. Douse.

From Kahului--Mrs. C. W. Alden, P. V. Ceresole, Mrs. C. E. Stanton, J. T. Ross, W. T. Robinson, M. Pacheco, Rev. C. T. Choy, Mrs. Hatsu.

From Laupahoehoe to Lahaina--Rev. W. B. Oleson.

From Hana to Kahului--P. O. Schmidt, Mrs. Mossman, D. L. Austin, H. Reuter, Lee Ling.

W. G. HALL FROM KAUAI.

The inter-island steamer W. G. Hall arrived this morning from Nawiliwili with nine cabin passengers and 48 on the deck. The Hall reports fair weather and mentions in the report that the Noeau will unload explosives tonight and will be in Kilauea tomorrow morning. The passengers in the Hall were Col. Spalding, Ernest Beha, Miss

M. Rankin, Mrs. Hansen, Miss A. Wong, S. Decker, Z. L. Zoller, O. F. Otterson, Tai Tong.

SUGAR AWAITING SHIPMENT.

The following amounts of sugar awaiting shipment at various Kaula ports were reported by the W. G. Hall this morning: M. A. K. 27,734, McB. 40,021, V. K. 2100, K. S. M. 6550, K. S. Co. 4000, L. B. 15,876, G. F. 16,900, K. P. 9310, G. & R. 17,450.

WASH THAT ITCH AWAY.

If your druggist told you that you could simply wash away that awful Itchy Eczema--yes--that the very first drops of a soothing, cleansing wash would give you instant relief, it wouldn't it?

But it is true, every word. We keep on hand a supply of such a liquid known as the D. D. O. Prescription for Eczema, because we know that this wonderful compound of Oil of Wintergreen, Thymol and other ingredients actually does wash away Eczema and all other skin impurities--that it clears the complexion overnight and leaves the skin as healthy and smooth as that of a child.

We could not recommend D. D. O. so positively unless we knew of the wonderful cures wrought by this remedy. We vouch for the merits of D. D. O. and know positively that it takes

away the itch instantly. When your own druggist can give you certain relief from that awful itch, you don't need to suffer another day. Wash away all your skin troubles with D. D. O. and then keep your skin in perfect condition with D. D. O. Soap. Let us tell you more about this wonderful remedy. Benson, Smith & Company.
